Hotel Information:

Hotel Cala Joncols is a quaint, country-style hotel. At the Hotel Cala Joncols, full-board includes breakfast, lunch and dinner. Half-board includes breakfast and dinner. The meals are exclusively a simple, regional fare. Wine and water are served with the appetisers and main courses, at lunch and dinner time. Additional orders of wine, water or other drinks will be charged to your room account.

The Hotel offers all its guests, as well as customers who reach the bay by boat, an “A la carte” restaurant. In July and August (the Spanish summer holiday season), the “A la Carte” restaurant is much in demand and much frequented. Therefore, we highly recommend, especially during the high-season, that you place a table reservation with the reception desk, and this as soon as possible. All hotel guests on full-board bases are entitled to a 20% discount off the “A la carte” restaurant of the Hotel Cala Joncols. Half board clients will receive 20% on dinner only if taken in the “a la carte” restaurant – no reductions on lunch arrangement for half board clients.
